

A Message from the Lieutenant Governor of Nova Scotia

Today, the Province of Nova Scotia holds His Majesty King Charles III and Her Majesty Queen Camilla in our thoughts.

As The King's representative in Nova Scotia, I send best wishes for healing and recovery following the statement issued by Buckingham Palace regarding His Majesty's recent diagnosis.

King Charles III is widely known for his passion for the environment, youth initiatives, volunteer and military service, and of course, carrying on the established legacy of service. These areas touch the lives of all Nova Scotians and we appreciate the advancements that have been made due to His Majesty's work and contributions.

I have no doubt that His Majesty's endurance and strength will fortify him over the coming weeks. While he convalesces, we will continue to support the work that he began and follow his example of dedication and service.

Arthur J. LeBlanc, ONS, KC
Lieutenant Governor
